## EMPLOYMENT

**Clinical Psychologist** • 2007-present • Independent Practice, Austin, Texas  
Assessment and therapy with clients of all ages and a wide range of presenting difficulties. Expert supervision of clinical trainees and student interns. Specialty services in the areas of forensics and parenting, psychosexual development, lifespan family health psychology, differential diagnosis, and medical systems issues. Texas License #33639. National Provider Identifier (NPI) 1508047978.

**Associate Professor of Instruction** • 2022-present • Psychology Department, Univ. of Texas at Austin  
Instructional position, teaching six courses per academic year. Advise and mentor undergraduates, supervise students' honors theses and field experiences. Provide exceptional student-oriented educational experiences. Innovate student-centered hybrid and online educational platforms and pedagogies.

**Lecturer/Assistant Professor of Instruction** • 2007-2022 • Psychology Department, Univ. of Texas at Austin  
Instructional position, teaching two to six courses per academic year. Advise and mentor undergraduates, supervise students' honors theses and field experiences. Provide exceptional student-oriented educational experiences.

**Instructor, HDO** • 2020-present • Human Dimensions of Organizations, The University of Texas at Austin  
Teach full-day seminar, "Emotional Intelligence for Leaders," with co-instructor Jim Pacey, for HDO's professional training program.

**Director, Texas Psychology Continuing Education (TPCE)** • 2017-2020 • The University of Texas at Austin  
- Special Projects Coordinator • 2019-2020 • Human Dimensions of Organizations (Art Markman/Amy Ware)  
- Special Projects Coordinator • 2017-2019 • Liberal Arts Instructional Technology Service (Joe TenBarge)  
Innovated pedagogy, programs and projects, and consulted to Assoc. Dean TenBarge. Developed continuing education program for mental health professionals, including preliminary research, APA approval, online delivery model, planning structure and content, through program launch (by HDO). Filmed 30 hours of video in studio.

**Instructor, Summer Discovery UT** • Summer 2014, Summer 2015 • The University of Texas at Austin  
Taught two courses for this academic program and residential camp experience for high school students.

**Visiting Assistant Professor** • AY2006-2007 • Department of Psychology • Mercer University, Macon GA  
Full-time teaching and advising at a small, academically demanding private university.

**Visiting Lecturer** • Summer 2006 • Physician's Assistant Graduate Program, Emory University SOM, Atlanta GA  
Taught intensive didactic courses on psychosis and contextual mental health assessment to PA graduate students.

**Postdoctoral Fellow** • 2005-2006 • Depts. of Psychiatry & Behavioral Sciences and Pediatrics, Emory SOM  
Psychiatric and medical inpatient and outpatient, consultation/liaison, adolescent sexual health, severe mental illness, forensics, psychiatric emergency, psychiatric-obstetric service, oncology, child psychiatry, pediatrics. Supervision, integrated health. Passed Examination for Professional Practice in Psychology (EPPP), July 2006.

**Research Director** • 2005-2006 • Injury Free Coalition for Kids, Atlanta GA  
Evaluated funding opportunities, wrote grant proposal content, prepared IRB applications, designed program evaluation studies, developed measures, conducted pilot testing and feasibility studies of evaluation tools, conducted data analyses, prepared conference presentations, identified injury surveillance resources.

**Psychology Intern** • 2004-2005 • Dept. of Psychiatry & Behavioral Sciences, Emory SOM  
Intensive, supervised experience in assessment and treatment of DSM disorders, lifespan sexual health, PTSD, injury prevention, ethics, parenting, personality disorders, differential diagnosis, psychosis, child schizophrenia, child custody, parental alienation, school services, culture-bound syndromes, acculturation, HIV/AIDS, diabetes, obesity, breast cancer, health care disparities.

**Graduate Research Assistant** • 1995-2004 • Pediatric Psychology Research Group, Virginia Tech, Blacksburg VA  
Extensive training and increasingly independent experience with all phases of behavioral research, with programmatic focus on injury prevention and health promotion projects. Supervised undergrad RAs, conducted community program evaluation and consultation, developed survey instruments, manuals, chart coding systems.

**Graduate Instructor** • 2001-2004 • Department of Psychology, Virginia Tech, Blacksburg, VA.  
Independently taught my first undergraduate course (Abnormal Psychology) in Fall, 2001. Taught one course per semester during my last three years in residence at Virginia Tech while I gathered my dissertation data.

**Editor, *Psycnews*** • 1999-2000 • Department of Psychology, Virginia Tech, Blacksburg, VA  
Wrote and edited pieces of interest to department stakeholders. Worked with graphic designer and faculty writers.

**Graduate Teaching Assistant** • 1995-1996, 2000 • Department of Psychology, Virginia Tech, Blacksburg, VA  
Supervised training and experience in administering and teaching undergraduate courses in psychology.

**Graduate Clinician** • 1995-1999 • Psychological Services Center, Virginia Tech, Blacksburg, VA  
**Summer Clinician** • 1997, 1998 • Psychological Services Center, Virginia Tech, Blacksburg, VA.  
Thousands of hours of supervised outpatient assessment and therapy, mostly CBT, with clients of all ages. Extensive case conceptualization and use of single-case design. Specialized training in police candidate evaluations, motivational interviewing, DBT, ACT, developmental psychopathology, comprehensive assessment, differential diagnosis, working with adolescents, child advocacy, legal settings. Supervisor for junior clinicians 1998-99.

**Graduate Extern** • 1997-1998 • Dept of Pediatrics, Carilion Community Hospital, Roanoke VA  
Over 700 direct service hours. Parent support groups, psychoeducation, assessments and therapy for children with serious and chronic medical illnesses. Interdisciplinary team. Hematology-Oncology, Infectious Diseases, Child Life.

**Administrative Associate** • 1994-1995 • Center for Vision and Image Sciences (Bill Geisler), Univ. of Texas at Austin  
Managed grant applications, reporting, and tracking, purchasing, personnel appointments, payroll, accounts; intellectual property disclosures; manuscript administration and editing; conference planning.

**Administrative Assistant** • 1992-1994 • Psychology Department, University of Texas at Austin  
Provided full-time secretarial support to 12 clinical area faculty members; coordination of area faculty search, graduate admissions, APA-accreditation site visit and report; supervision of College Work-Study office assistants.

**Director of Career Development** • Summer 1992 • Allied Health Careers, Austin TX  
Taught professional skills classes to adult students; filed accreditation reports; coordinated job-placement services for students and graduates; coordinated externships for advanced students at local medical facilities.

**Undergraduate Research Assistant** • 1990-1992 • Dr. Caryn Carlson, Psychology Dept., Univ. of Texas at Austin  
Assisted with research studies on Attention-Deficit Hyperactivity Disorder in children. Data collection, data entry, literature searches and reviews, clerical tasks, supervision of child participants in summer treatment program.

**College Work-Study Office Assistant** • 1990-1991 • Main Office, Psychology Dept., Univ. of Texas at Austin  
Sorted mail and performed other minor clerical tasks; soaked up the ambiance.

**Peer Advisor** • 1989-1990 • Undergraduate Advising Office, Psychology Dept., Univ. of Texas at Austin  
Assisted the undergraduate advisor, ran campus errands, performed minor clerical tasks, processed degree plans and other administrative forms (paper), answered students' questions, worked registration at the Erwin Center.

**Child Care Provider** • 1987-1989 • Noah's Ark Childcare; Kids R Us Childcare, Austin, TX  
Cared full-time for groups of children ages 6 weeks to 6 years. Gained invaluable experience in child development that has served me well for more than three intervening decades of professional service to children.
