CIRCA 1985

Charles Thompson, founder and president of **ARCHILLUME**, is a member of the AIA and an interior designer. He is a corporate member of the International Association of Lighting Designers and a member of the Illuminating Engineering Society of North America.

He is one of the first lighting professionals to receive LIGHTING CERTIFICATION from the NCQLP. Thompson oversees every project and maintains a high level of involvement from beginning to end.

Being president of **ARCHILLUME LIGHTING DESIGN, INC.** since 1985, Charles has little recollection of what he did before then. When not being presidential at **ARCHILLUME**, Charles' passions include family, travel, photography and Harley-Davidsons.
