

Matt Fajkus, AIA, NCARB, LEED AP

Associate Professor
Director, Graduate Program in Sustainable Design
The University of Texas at Austin School of Architecture

Office Address: The University of Texas at Austin
School of Architecture
1 University Station B7500
Austin, Texas 78712-0222

Phone: 512.897.0195

Email: matt.fajkus@austin.utexas.edu

1.0 EDUCATION, AFFILIATIONS, AND REGISTRATION

1.1 Education

- | | |
|------|---|
| 2005 | Master of Architecture, Advanced Placement
Harvard University
Graduate School of Design
Thesis Advisors: Rafael Moneo & Sarah Whiting |
| 2000 | B.S. in Architecture, Summa Cum Laude
The University of Texas at Arlington
School of Architecture |
| 2000 | International Academic Study / Research
Universitat Politècnica de Catalunya
Escuela Técnica Superior de Arquitectura del Vallès, Barcelona, Spain |

1.2 Professional Licensure, Accreditations, & Affiliations

- | | |
|--------|--|
| 2008 - | National Council of Architectural Registration Boards
Certification # 66239 |
| 2008 - | American Institute of Architects
Membership # 30498829 |
| 2008 - | Texas Board of Architectural Examiners, Registered Architect
License # 20652 |
| 2009 - | Leadership in Energy and Environmental Design
Accredited Professional (LEED AP) |

1.3 Academic & Other Affiliations

- | | |
|--------|---|
| 2011 - | National Institute of Building Sciences Education Council |
|--------|---|

- 2013 - Texas Society of Architects Sustainable Environment Council
- 2013 - Global Science and Technology Forum
- 2011 - Next Generation Texas Fellow
Robert S. Strauss Center for International Security and Law

2.0 APPOINTMENTS AND POSITIONS

2.1 Academic Appointments

- 2010 - **Associate Professor**
The University of Texas at Austin
School of Architecture
- 2008-2010 **Adjunct Instructor**
University of Lund
Technical School of Architecture, Sweden

2.2 Professional Design Positions

- 2010 - **Principal Architect and Founder**
Matt Fajkus Architecture, LLC, Austin, Texas
- 2004, 2006-10 **Project Architect**
Foster + Partners, London, United Kingdom
- 2003 **Architectural Associate**
Julie Snow Architects, Minneapolis, Minnesota
- 2002 **Architectural Associate**
Brinkley Sargent Architects, Dallas, Texas.
- 1998-2002, 2005 **Architectural Associate**
Max Levy Architects, Dallas, Texas
- 2000 **Architectural Intern**
Mario Corea Aiello Arquitectos, Barcelona, Spain

3.0 AWARDS, HONORS, AND RECOGNITION

3.1 Awards and Honors for Scholarship

- 2018 R, Ref **Austin Modern Home Tour**, February 24
Creative Work: *sideSTEP House* (Matt Fajkus Architecture)

- 2017 R, Ref **AIA Austin Homes Tour**, October 28 & 29
Creative Work: *Main Stay House* (Matt Fajkus Architecture)
- 2017 R, Ref **Studio Design Award**
(Studio Awards recognize real or theoretical projects that go beyond the boundaries of architecture to address current critical issues)
Texas Society of Architects
Awarded 1 of 5 annual awards at the Texas Society of Architects Design Awards Ceremony in Austin, Texas, November 2017
Recognized with a framed award certificate signed by the TSA President
Creative Work: *Filtered Frame Dock* (Matt Fajkus Architecture)
- 2016 I, Ref **International Design Award Commendation**, Best Interior Project – Work Category
Blueprint Awards
Honored at Awards Ceremony in London, UK, October 2016
Recognized with an Award Commendation certificate
Creative Work: *Hill Country Apothecary* (Matt Fajkus Architecture)
- 2016 R, Ref **Merit Award**, Residential Category
Texas Tech University College of Architecture Advisory Council Design Awards
Awarded at Texas Tech Reception at the Texas Society of Architects Convention in San Antonio, November 2016
Recognized with an Award certificate
Creative Work: *Main Stay House* (Matt Fajkus Architecture)
- 2014 N, Ref **National Design Award**, Small Project Category
The American Institute of Architects
Awarded at the AIA National Conference in Chicago, June 2014.
Creative Work: *Fashion[ing] Objects* (Matt Fajkus Architecture)
- 2013 Int, Ref **International Design Award Finalist**, Commercial + Exhibit Category
FX International Interior Design Awards
Honored at Awards Ceremony in London, UK, November 2013
Recognized with an Award Finalist certificate
Creative Work: *Fashion[ing] Objects* (Matt Fajkus Architecture)
- 2013 Int, Ref **International Design Award Finalist**, Commercial Building of the Year Category
LEAF Awards
Honored at Awards Ceremony in Berlin, Germany, October 2013
Recognized with an Award Finalist certificate
Creative Work: *Fashion[ing] Objects* (Matt Fajkus Architecture)
- 2013 R, Ref **Studio Design Award**
(Studio Awards recognize real or theoretical projects that go beyond the boundaries of architecture to address current critical issues)
Texas Society of Architects
Awarded 1 of 4 annual awards at the Texas Society of Architects Design Awards Ceremony in Fort Worth, Texas, September 2013
Recognized with a framed award certificate signed by the TSA President
Creative Work: *Thick-Skinned Regionalism* (Design Team: M. Fajkus, D. Pruesse, B. Yoon)

- 2013 R, Ref **Studio Design Award**
Texas Society of Architects
(Studio Awards recognize real or theoretical projects that go beyond the boundaries of architecture to address current critical issues)
Awarded 1 of 4 annual awards at the Texas Society of Architects Design Awards Ceremony in Fort Worth, Texas, September 2013
Recognized with a framed award certificate signed by the TSA President
Creative Work: *Fashion[ing] Objects* (Matt Fajkus Architecture)
- 2013 R, Ref **Faculty Scholarship Award**
Recognizing Excellence in Scholarship and Practice
Awarded at The University of Texas at Austin School of Architecture Commencement Ceremony, May 2013
Recognized with a framed award certificate signed by the Dean of the University of Texas at Austin School of Architecture
- 2013 Int, Ref **International Best Research Paper and Lecture Award**
First Annual International Architecture and Civil Engineering Conference
Singapore, March 2013
Winner among 96 peer-reviewed international presented papers.
Recognized with an award certificate in a leather case, presented at the conference
Scholarly Written Work:
Beyond Skin Deep: Sustainable Building Envelope Research and Design (M. Fajkus)
- 2012 Int, Ref **International Special Mention Design Award**
Alternative Typology Category
d3 Unbuilt Visions Awards, January 2013
Creative Work: *Flat House* (Design Team: M. Fajkus, B. Hubbard, B. Yoon)
- 2012 Int, Ref **International Silver Design Award**
SPARK Spaces Awards
Recognizing innovation in built design work
Recognized with an award finalist certificate and a customized glass sculpture trophy
Honored at the design awards ceremony in San Francisco, November 2012
Creative Work: *Fashion[ing] Objects* (Matt Fajkus Architecture)
- 2012 R, Ref **Design Merit Award, Unbuilt Category**
American Institute of Architects, Austin Chapter
Honored at the annual AIA Austin Chapter Design Awards Ceremony, Blanton Art Museum, Austin, Texas, April 2012
Recognized with a framed award certificate
Creative Work: *Bat House Visitor Center* (Design Team: M. Fajkus, J. Rodriguez, B. Yoon)
- 2011 R, Ref **Studio Design Award**
Texas Society of Architects
(Studio Awards recognize real or theoretical projects that go beyond the boundaries of architecture to address current critical issues)
Awarded 1 of 4 annual awards at the Texas Society of Architects Design Awards Ceremony in Dallas, Texas, September 2011
Recognized with a framed award certificate signed by the TSA President
Creative Work: *Bat House Visitor Center* (Design Team: M. Fajkus, J. Rodriguez, B. Yoon)

- 2010 Int, Ref **Runner-Up Design Award**
Habitat for Humanity Sustainable Prefab 20x20 Competition
Peer-selected as 2nd among 285 international professional entries
Creative Work: *Thick-Skinned Regionalism* (Design Team: M. Fajkus, D. Pruesse, B. Yoon)
- 2002 R, Ref **McDermott Fellowship**
Awarded for travel to research, develop, and disseminate knowledge in architecture.
Dallas Center for Architecture
Sole Annual Recipient of Honor - Traveled in Southeast Asia for ethnographic and Khmer architecture study. Awarded \$2,000.
- 2001 R, Ref **Arch Swank, Jr. Fellowship**
Awarded for travel to study craft and craftsmanship in the built environment.
Dallas Center for Architecture
Sole Annual Recipient of Honor - Traveled in South America for Incan architecture study.
Awarded \$1,000.

3.2 Awards and Honors for Teaching

- 2014 Ref **University of Texas School of Architecture Outstanding (Studio) Teaching Award.**
Awarded at the school-wide commencement ceremony, May 17, 2014.
Recognized with a certificate and \$1,000 monetary award.
- 2013 R, Ref **University of Texas Regents' Outstanding Teaching Award.**
The highest teaching honor in the University of Texas System.
Awarded annually among the nine academic University of Texas System institutions to faculty who have demonstrated extraordinary classroom performance and innovation in undergraduate instruction. Nominated by the UT School of Architecture Dean, followed by a series of rigorous evaluations by peer faculty, students, and external reviewers.
Honored at the award ceremony by University of Texas Chancellor Francisco Cigarroa.
Recognized with a gold medal, a certificate, and a monetary award of \$25,000.
- 2013 Ref **Sustainability and Ethics Course Conversion Award.**
Awarded by the Office of Sustainability and Center for Core Curriculum of the University of Texas at Austin for the course, *UGS 303: Skyscrapers and Polar Bears: Perspectives on Sustainable Design*, co-taught with Dr. Barbara Brown Wilson.
Awarded \$1,000 for plan to strengthen ethics component of the course, February 2013.
- 2012 N, Ref **ACSA/AIAS New Faculty National Teaching Award:**
Recognizing demonstrated excellence in teaching performance addressing social, economic and environmental sustainability.
Association of Collegiate Schools of Architecture and the American Institute of Architects.
Honored at ACSA National Annual Conference, San Francisco, California, 2013
Recognized with a sealed certificate in a leather case.
- 2012 Ref **Cale McDowell Award for Innovation in Undergraduate Studies.**
Annual university-wide award, to Matt Fajkus and Dr. Barbara Brown Wilson for creating and teaching the 2011 Summer Signature Course entitled *Skyscrapers + Polar Bears: Perspectives on Sustainable Design*.
Recognized with a framed certificate presented by UGS Dean Paul Woodruff.

- 2011 R, Ref **Big XII Faculty Fellowship**
Funded visit to the Kansas State University College of Design, to guest-lecture for various courses and collaborate with KSU faculty, in addition to presenting a college-wide lecture titled "Structured Light."
- 2013 ESPN Longhorn Television Network Special, "Technology at the UT School of Architecture," a segment on integrated technology, featuring the teaching of Matt Fajkus and Clay Shortall, aired March 2013.
- 2011 Acknowledged for teaching accomplishments in *The University of Texas at Arlington Magazine*, 2011.
- 2011 Fall 2011 UTSOA Vertical in: Transition Studio was the first collection of student work recognized in the online publication of The Issue Collective
<http://theissuecollective.com/2011/11/intransition/>

3.3 Other Awards and Honors

- 2017 Ref **AIA Austin Emerging Professionals Honor Award**
One winner per year.
Honored at the Award Celebration at Saengerrunde Hall in Austin, Texas.
- 2015 Ref **Austin Under 40 Awards Winner**
Engineering, Architecture, and Design Category, recognizing professional achievement and community service.
14 total winners across disciplines, 70 finalists, 400 nominees.
Honored at the Black-Tie Awards Gala at the J.W. Marriott Ballroom in Austin, Texas, attended by Austin Mayor Steve Adler.
Recognized with an engraved glass trophy.
- 2014 Ref **Austin Under 40 Awards Finalist**, One of five finalists in the Engineering, Architecture, and Design Category, recognizing professional achievement and community service.
Honored on April 4th, 2014 at Au40 Reception at Austin Music Hall.
60 finalists among 350 nominees.
- 2013 Ref **Austin Under 40 Awards Finalist**, One of five finalists in the Design, Architecture, and Engineering Category, recognizing professional achievement and community service.
Honored on February 22, 2013 at Au40 Reception at Austin Music Hall, hosted by Austin Mayor Lee Leffingwell.
60 finalists among 300 nominees.
- 1999 **Male Scholar Athlete of the Year**
The University of Texas at Arlington
Co-Captain, 1998 - 1999 Southland Conference Men's Tennis Championship Teams
Sports Hall of Honor Inductee, The University of Texas at Arlington (2010)

4.0 SCHOLARSHIP—PUBLICATIONS

4.1 Books

- 2017 Int, Ref Fajkus, Matt; and Whitsett, Dason, *Architectural Science and the Sun: The Poetics and Pragmatics of Solar Design*, Routledge Publishers. Publication forthcoming.

4.2 Journal Articles and Essays

- 2017 R, I Fajkus, Matt, "Vision for Downtown Austin Buries I-35 and Caps it with a Boulevard," *Texas Architect*, March/April 2017, pp.15-16.
- 2015 R, I Fajkus, Matt, "An Honest Frame," *Texas Architect*, July/August 2015, pp. 61-65.
- 2013 R, I Fajkus, Matt, "Lines, Numbers, and Colors," *Texas Architect*, November/December 2013, pp. 20-21.
- 2013 Int, Ref McKee, Audrey; and Fajkus, Matt, "Fashion[ing] Objects: A case study of a fashion show backdrop installation derived from the body and made to showcase clothes that display the body," *International Journal of Interior Architecture + Spatial Design, Volume 2: Corporeal Complexities*, June 2013, pp. 100-107.
- 2013 R, I Fajkus, Matt, "Sustaining Experience: Diffuse Reflection Lab by Lead Pencil Studio," *Texas Architect*, March/April 2013, pp. 10.
- 2013 Int, Ref Fajkus, Matt, "Daylight Transmission Analysis in Experimental Building Envelope Assemblies," *International Journal of Design & Nature and Ecodynamics*, Spring 2013.
- 2012 Int, SI Fajkus, Matt, "Light and Sustainable Building Envelope Construction: A Meeting Point for Architects and Engineers," Paper published in *Construction: Essays on Architectural History, Theory & Technology* by Nicholas Patricios and Stravros Alifragkis, ATINER Publications, October 2012, pp. 82-91.
- 2012 I Fajkus, Matt, "Supply and Demand: Architecture and the Energy Crisis," Invited BURN Blog Entry, September 2012, <http://burnanenergyjournal.com/the-burn-blog-september-10-2012/>
- 2012 R, I Fajkus, Matt, "Marking the Land," *Texas Architect*, March/April 2012, pp. 24-28.
- 2012 R, I Fajkus, Matt, "Modern Architecture as Constructed Environment: Tati's Playtime as Commentary spanning the Prosaic to the Profound," *Pastelegram*, Spring 2012, pp. 44-49.
- 2011 R, I Fajkus, Matt, "Sisters Retreat" (adapted article), *Texas Architect*, July/August 2011, pp. 42-45.
- 2011 R, I Fajkus, Matt, "Sisters Retreat," *Texas Architect*, May/June 2011, pp. 32-38.
- 2010 I Fajkus, Matt, and Dangel, Ulrich, "Experimental Research at UTSOA," *Platform*, Fall 2010, pp. 26-27.

4.3 Conference Proceedings

- 2013 Int, SI Fajkus, Matt, "Superficial Skins? Super Skins? Shading Structures and Thermal Impact Analysis," *Conference Proceedings of the 8th International Conference on Advanced Building Skins*, pp. 187-193.
- 2013 Int, Ref Fajkus, Matt, "Beyond Skin Deep: Sustainable Building Envelope Research and Design," *1st Annual International Architecture and Civil Engineering Conference Proceedings*, Singapore, March 2013, pp. 120-128.
- 2013 Int, Ref Liedl, Petra; Novoselac, Atila; Fajkus, Matt; Wilson, Barbara Brown, "Interplay Climate-Human-Building: User-friendly Planning," *Sustainable Building and Refurbishment for Next Generations Conference Proceedings*, Central Europe towards Sustainable Building Prague 2013 (CESB13), Prague, Czech Republic.
- 2013 Int, Ref Liedl, Petra; Novoselac, Atila; Fajkus, Matt; Wilson, Barbara Brown, "User-friendly planning tools for building design in different climate zones: Validation of tools considering energy and room climate, using experimental laboratories," *Building Simulation 2013 Conference Proceedings*, Institut National de L'Energie Solaire (INES), Chambéry, France, August 25-28.
- 2011 Int, Ref Fajkus, Matt, "Air and Light Modulation in Architectural Facades," *Proceedings of the International Indoor Air Quality Conference Proceedings*, June 2011, pp. 2626-2631.
- 2011 Int, Ref Fajkus, Matt, "Quantitative and Qualitative Daylight Control in Building Facades," *Light in Engineering, Architecture and the Environment Conference Proceedings*, Poznan, Poland, in conjunction with Wessex University, England, May 2011, pp. 121-131.
- 2011 N, Ref Fajkus, Matt, "Virtual and Physical Simulation Loops for Facade Performance: Light and Thermal Testing as a Design Tool," *Building Envelope Sustainability Symposium Conference Proceedings*, California Polytechnic Institute, Pomona, California, pp. 92-106.
- 2010 Ref Fajkus, Matt, and Dangel, Ulrich, "The Thermal Lab – Experimental Research at the UT School of Architecture," *University of Texas at Austin Center for Sustainable Development Symposium*, September 2010.

5.0 SCHOLARSHIP—LECTURES AND CONFERENCE PRESENTATIONS

5.1 Peer-Reviewed Conferences and Workshops

- 2017 R, Ref "Sustained Trajectories: Conscious Processes in Architectural Design and Career Path," *AIAS Forum 2017: Texas*, session by Fajkus, Austin, December 2017.
- 2017 R, Ref "Leadership and Entrepreneurship," *Texas Society of Architects Annual Conference*, presentation and workshop by Fajkus attended by 400+ architects, Austin Convention Center, November 2017.
- 2013 Int, Ref "Beyond Skin Deep: Sustainable Building Envelope Research and Design," peer-reviewed *1st Annual International Architecture and Civil Engineering Conference*, Singapore, March 2013.

- 2012 R, Ref “Light, Energy, [The] Environment: The Influence of Sustainable Design Research on Contemporary Practice,” *Texas Society of Architects Annual Conference*, lecture by Fajkus attended by 400+ architects, Austin Convention Center, October 2012.
- 2011 Int, Ref “The Sustainable Building Envelope: A Meeting Place for Architects and Engineers,” *Athens Institute for Education and Research (ATINER) International Construction Technology Conference*, Athens, Greece, June 2011.
- 2011 Int, Ref “Air and Light Modulation in Architectural Facades,” *Annual International Indoor Air Quality Conference*, Austin Convention Center, June 2011.
- 2011 Int, Ref “Quantitative and Qualitative Daylight Control in Building Facades,” presentation at the 2011 *Light in Engineering, Architecture and the Environment Conference*, Poznan, Poland, in conjunction with Wessex University, England, May 2011.
- 2011 N, Ref “Virtual and Physical Simulation Loops for Facade Performance: Light and Thermal Testing as a Design Tool,” presentation at the 2011 *Building Envelope Sustainability Symposium*, California Polytechnic Institute, Pomona, California, March 2011.
- 2011 R, Ref “Sustainable Measures: The Architecture of Matt Fajkus,” selected as one of the top three emerging Austin architects by the Austin Museum of Art in the *Art and Architecture Showcase*, public lecture presented at the Austin Museum of Art, April 28, 2011.
- 2010 R, Ref “The Thermal Lab – Experimental Research at the UT School of Architecture,” with Ulrich Dangel at the *UT Center for Sustainable Development Symposium*, September 2010.

5.2 Invited Lectures, Symposia, and Presentations

- 2017 R Presentation at the University of Texas Energy Week, Austin, Texas, February 7-10, 2017.
- 2017 I “The Art & Science of Spatial Perception,” panel at the *SXSWedu 2017*, Austin, Texas, March 6-9, 2017.
Recorded by SXSWedu and published on Soundcloud.
<https://soundcloud.com/sxswedu/the-art-science-of-spatial-perception-sxsw-2017>
- 2016 R Brown, Paul; Fajkus, Matt; “Design and Construction of 2015 Building and Energy Code Compliant Exterior Wall Systems with Local Case Study by Project Architect,” *Summer Conference of the Austin AIA*, Austin, Texas, August 18-19, 2016.
- 2016 R, I “Cities of Light: Daylighting and Glare in Buildings and Urban Habitat,” presentation and panel at the 2016 *Facade Tectonics Forum*, San Antonio, Texas, April 7, 2016
- 2015 R, Ref “The Science and Experience of Daylighting in Architecture,” presentation at the 76th *Annual Texas Society of Architects (TSA) Convention and Design Expo*, Dallas, Texas, November 5-7, 2015
- 2014 R, SI “Research in Practice,” presentation and panel at the 2014 *Facades+ Conference* hosted by Architecture News Magazine, Dallas, Texas, October 30, 2014.

- 2014 SI "The Science & Phenomenology of Light," Introductory Lecture at the Special Half-Day Daylighting Workshop, *Sunlighting for Architects*, with Lisa Hescong and Adam Pyrek, American Institute of Architects (AIA), Austin Chapter, October 2014.
- 2014 I "Research / Practice / Innovation," Introductory Remarks as Keynote Speaker at the GSAC *Forum*, The University of Texas at Austin School of Architecture, March 20, 2014.
- 2013 Int, SI "Superficial Skins? Super Skins? Shading Structures and Thermal Impact Analysis," presentation at the *8th International Conference on Advanced Building Skins*, Bressanone, Italy, November 5-6, 2013.
- 2013 R, I "Sustained Trajectories: Explorations in Research, Drawing, & Building," Texas Tech College of Architecture, Lubbock, Texas, October 23, 2013.
- 2013 R, I "Collaborate/Integrate: Strategies in Sustainable Architecture," Architecture Engineering Institute at the University of Texas Cockrell School of Engineering, October 9, 2013.
- 2013 R, I "Sustainability in the Built Environment and Beyond," American Institute of Architects, Laredo Chapter, Texas A&M International University at Laredo, Texas, October 3, 2013.
- 2013 Int, SI Moderator of Daylighting Roundtable Panel, *Austin/Munich Energy Exchange International Conference*, Austin, Texas, October 2-3, 2013.
- 2013 I "Sustainable Architecture in Austin: The Pike Powers Living Lab," *The American Institute of Architects Austin Chapter Annual Conference*, Austin, Texas, August 22-23, 2013.
- 2013 R, I "Trajectories of Architectural Education," Roundtable Panelist, Dallas Center for Architecture, alongside Bradley Bell, chaired by Russell Buchanan, April 16, 2013.
- 2013 I "Sustaining Competitiveness in Student Research," Introductory Remarks as Keynote Speaker at the *Graduate Studies of Architecture Committee Forum*, The University of Texas at Austin School of Architecture, April 5, 2013.
- 2013 Int, SI "Architectural Sustainability," Session Chair at the *1st Annual International Architecture and Civil Engineering Conference*, Singapore, March 19, 2013.
- 2013 R, I "Architecture [Extended]: Sustaining Research and Practice," The University of Texas at Arlington School of Architecture, Arlington, Texas, February 27, 2013.
- 2013 I "Systematic Sustainability," presentation and panel at the *2013 UT Sustainable Business and Social Enterprise Summit*, The University of Texas at Austin McCombs School of Business, February 13, 2013.
- 2013 Int, SI "Sustaining Cities: Food Structures and City Structures," invited presentation and panel at the *Food, the City, and Innovation Conference*, The University of Texas Food Lab and the Cockrell School of Engineering Center for Lifelong Engineering Education, February 2, 2013.

2012	I	"Architectural Science Meets Phenomenology," <i>University of Texas School of Architecture Special Research Grant Colloquium</i> , University Union.
2012	Int, SI	"UT School of Architecture Sustainability Research Trajectory," presented to the Lord-Mayor of Koblenz, Germany and the Koblenz City Council Delegation during their visit to the University of Texas at Austin School of Architecture, October 2012.
2012	N, I	"Light, Energy, and other Material Concerns," invited lecture, as part of the <i>University of Kansas School of Architecture and Urban Planning Fall Lecture Series</i> , October 2012.
2012	I	"Green Contemporary Architecture," guest lecture delivered to University of Texas Cockrell School of Engineering course <i>Sustainability and Planning</i> , taught by Mike Blackhurst.
2012	I	"Sustainable Architectural Technology Research," presentation to Gary Lawrence, Chief Sustainability Officer at AECOM, during his visit to The University of Texas at Austin School of Architecture, October 2012.
2012	SI	"Sustainable Architecture: Form, Function and Energy," <i>University of Texas Energy Symposium Lecture Series</i> , Mezes Hall Auditorium, Fall 2012.
2012	Int, I	"Sustainability Technology and Research," presentation to United States Department of Commerce Eurasian Delegation, at The University of Texas at Austin School of Architecture, August 2012.
2012	I	"The UT Smart Building Initiative – Research Concepts," The University of Texas at Austin McCombs School of Business, Summer 2012.
2012	I	"The Future of Sustainable Architecture," guest lecture at The University of Texas Cockrell School of Engineering "Green Architecture" course, taught by Dr. Ying Xu,
2012	N, I	"Progressive Research at the UT School of Architecture," presentation and tour of the University of Texas Thermal Lab to the American Architectural Manufacturers Association representatives, Spring 2012.
2012	I	"Faculty Research; Smart Building Initiative," Longhorn Innovation Fund for Technology (LIFT) Launch Event, Spring 2012.
2012	I	"Research between Architects and Engineers," guest lecture at The University of Texas Cockrell School of Engineering Engineers for a Sustainable World student group, ECJ Building, February 2012.
2012	I	"Sustainable Research: UT Thermal Lab," presentation and tour for a United Technologies UT visit, at the request of University of Texas President Bill Powers and UT School of Architecture Dean Fritz Steiner, 2012.
2011	I	"Vehicles and Urban Planning," Panel Moderator, <i>Sustainable Urban Design Conference</i> , The University of Texas at Austin McCombs School of Business, November 2011.

2011	I	“Skin Deep? Building Skins and Sustainable Architecture Research,” University-wide guest lecture, <i>University of Texas Libraries’ Research + Pizza Outreach Program</i> , Perry- Castaneda Library, October 2011.
2011	I	“The Pike Powers Commercialization Lab Design,” presented with Ulrich Dangel, <i>Pecan Street Inc.</i> Retreat, AT&T Conference Center, Austin, Texas, September 2011.
2011	Int, SI	“Sustainability as a Driving Force for Design Innovation,” Oskar von Miller Forum, Munich, Germany, May 2011.
2010	R, SI	Invited roundtable collaborator at the 2010 <i>CATEE (Clean Air Through Energy Efficiency) Conference</i> , held by Texas A&M University. Worked on a design team to develop new strategies for net-zero communities, August 2010.
2010	R, I	“The Dallas Opera House: Towards a New Sustainable Architecture,” Coordinator and Keynote Speaker of the small symposium sponsored by the Dallas Society of Psychoanalytical Psychologists, January 2010.

6.0 SCHOLARSHIP—FUNDED RESEARCH

6.1 Grants and Financial Support

2013	Art Works Grant National Endowment for the Arts Research: Austin Mobile Community Design Hub Co-Principal Investigator with Dr. Barbara Brown Wilson. \$20,000
2013	Sustainability and Ethics Conversion Grant Award UT Office of Sustainability Course: UGS 303: Skyscrapers and Polar Bears: Perspectives on Sustainable Design Co-taught with Dr. Barbara Brown Wilson. Managed funds to introduce new interactive decision-making elements to the large enrollment course. \$1,000
2012	UTSOA Architecture Research and Project Support Grant Research: Architecture Science Book Research with Co-Author Dason Whitsett, Phase Two. \$8,556
2011	Sustainability Advancement Grant The University of Texas at Austin Dean’s Provost Committee Research: Thermal Lab 2 construction management and guidance Weekly meetings for 8 months. \$100,000
2011	Supplemental Research Grant Research: Phase II of Smart Building Initiative The University of Texas at Austin Dean’s Provost Committee

Further quantitative energy analysis and website for Sutton Hall's energy usage.
\$50,000

- 2011 **DPAC Grant for Faculty Research Initiative**
The University of Texas at Austin Dean's Provost Committee Bridging Funds
Research: Co-Authoring Architectural Science Book with Dason Whitsett
Book to be published by Routledge
Led Research Assistants
\$40,000
- 2010 - 2013 **Longhorn Innovation Fund for Technology (LIFT) Grant**
Co-Principal Investigators: Matt Fajkus, Ulrich Dangel, Dr. Barbara Brown Wilson,
Gloria Lee, Riley Triggs
Research: UT Smart Building Initiative (SBI)
Conducted energy consumption study on Sutton Hall at the University of Texas
\$96,000

7.0 SCHOLARSHIP—RESEARCH/ CREATIVE WORK

7.1 Creative Works

Completed Architectural Construction - Matt Fajkus Architecture

- | | | |
|------|-------|--|
| 2017 | Built | AutoHaus (Fletcher Residence); Austin, Texas
Single-family residence; 2,600 square feet |
| 2017 | Built | Summit Cabinetry Factory ; Manor, Texas
Commercial Building/Warehouse; 40,000 square feet |
| 2017 | Built | sideSTEP House (Avenue H Residence); Austin, Texas
Single-Family Residence, 2,400 square feet |
| 2017 | Built | Westlake Dermatology Office ; Marble Falls, Texas
New Commercial Office Building; 3,000 square feet |
| 2017 | Built | Westlake Dermatology- Cedar Park ; Cedar Park, Texas
Commercial Building with 3000SF interior build out; 8,700 square feet |
| 2017 | Built | Patterson Residence ; Austin, Texas
Single-family residence; 2,600 square feet |
| 2017 | Built | Interlock House (Bradley Residence); Austin, Texas
Addition to single-family residence; 1,000 square feet |
| 2017 | Built | Creekbluff Addition ; Austin, Texas
Addition to single-family residence; 1,000 square feet |

2017	Built	Alegria Remodel/Addition; Austin, Texas Single-family residence addition; 1,400 square feet
2017	Built	Via Media Addition; Austin, Texas Single Family residence addition, 1,200 square feet
2017	Built	Light Court Cluster (Riverview Duplex); Austin, Texas Multi-family Residential Structure, 3,400 square feet (1700 sqf each side)
2017	Built	Springdale Duplex; Austin, Texas Multi-family Residential Structure, 3,200 square feet
2017	Built	Twin Sky Terraces (Westway Duplex); Austin, Texas Duplex Residential Structure; 3,750 square feet

<u>Theoretical and Speculative Projects</u>		
2017	A House for a _____ Competition; Waterfront (Design Team: Matt Fajkus Architecture) A house for three couples that believe in the values of purity, openness, and acceptance, who	

choose to live a lifestyle that nourishes their innate and primal desire to be close to the natural environment and other living beings.

- 2017 **Castle Resort Competition;** The Roccamandolfi Castle, Italy (Design Team: Matt Fajkus Architecture)
A new notion of castle architecture proposal, re-contextualizing site and introducing permeability

- 2016 **University Island Competition;** Venice, Italy (Design Team: Matt Fajkus Architecture)
Three campus master planning proposals, each with accompanying competition board, redesigning the abandoned island of Poveglia, just off the coast of Venice

- 2015 **Tiny Victories House Designs;** Austin, Texas (Design Team: Matt Fajkus Architecture)
Two standalone residences; 150 square feet each

- 2012 **Bastrop Children's Advocacy Center;** Bastrop, Texas (Design Team: Matt Fajkus Architecture)
Commercial; 5,000 square feet
A pro bono design proposal to remodel the existing facility in an existing house and add a freestanding structure to accommodate complex circulation and social issues.

- 2010 **Flat House;** Prototype (Design Team: M. Fajkus, B. Hubbard, B. Yoon)
Theoretical Residence design, 300 square feet

- 2010 **Thick Skinned Regionalism;** Prototype (Design Team: M. Fajkus, D. Preusse, B. Yoon)
A compact house scheme to be adapted to any climate in the world, proposing a universal starter frame and a thickened facade system to allow for daylight modulation and air filtration.

- 2007 **Bat House Visitor Center;** Austin, Texas (Design Team: M. Fajkus, J. Rodriguez, B. Yoon)
Design for a structure to provide shelter for endangered bat species and to simultaneously allow for human occupation and increased awareness.

- 2014 *Tribeza Fashion Show Backdrop Design Process Exhibition*
Materials Co-op Research Center
University of Texas at Austin School of Architecture
Creative Work: *Tesse-Lighted* (Matt Fajkus Architecture and The Materials Lab)
- 2013 *Digital Fabrication Exhibition*
Materials Co-op Research Center
University of Texas at Austin School of Architecture
Creative work: *Eight* (M. Fajkus, W. Meredith, C. Shortall)
- 2012 *Select Exhibition for the President of the United States*
Four Seasons Hotel and Residences, Austin, TX
July 2012
Creative work: *Eight* (M. Fajkus, W. Meredith, C. Shortall)
- 2011 *The University of Texas at Austin School of Architecture Faculty Research*
National Architecture Accrediting Board Exhibition
Goldsmith Hall
The University of Texas at Austin School of Architecture
Austin, TX
Creative work: *Pike Powers Living Lab* (M. Fajkus, U. Dangel, T. Glass)
- 2012 *Fabrication Exhibition*
Materials Co-op Research Center
University of Texas at Austin School of Architecture
October-December 2011
Creative work: *Fashion[ing] Objects* (Matt Fajkus Architecture)

2011	<i>Environmental [System]atic Formalism Exhibition</i> Goldsmith Hall The University of Texas at Austin School of Architecture September-December 2011 Creative work: <i>Bat House Visitor Center</i> (M. Fajkus, J. Rodriguez, B. Yoon)
2010	<i>Academic Practice Exhibition</i> Mebane Gallery The University of Texas at Austin School of Architecture Creative work: <i>Thick-Skinned Regionalism</i> (M. Fajkus, D. Preusse, B. Yoon)

8.0 TEACHING

8.1 Classroom Teaching

School of Architecture, The University of Texas at Austin				Enrollment
2017	Spring	Arch Design: Vertical Studio (ARC 694) Studio Title: Function & Folly - Sustainably Negotiating Structure, Habitation, and Environment.		11
		Construction IV (ARC 435L)		27, 23
2016	Fall	Light and Sustainable Design (ARC 350R/386M) Arch Design: Advanced Studio (ARC 695/560T) Studio Title: Culture, Construction, and Histori[city]		6, 10 14
2016	Spring	Construction IV (ARC 435L) Arch Design: Vertical Studio (ARC 694) Studio Title: Time. Place. Space. Negotiating Temporal Factors Between Structure and Site.		25, 18 13
2015	Fall	Light and Sustainable Design (ARC 350R/386M) Arch Design: Advanced Studio (ARC 695/560T) Studio Title: Type, Typology, & Tectonics in Sustainable Urban Growth.		8, 13 8, 8
2015	Spring	Vertical Design Studio / Visual Communications (ARC 694/1305) Studio Title: Site [Un]Seen: Sustainably Negotiating Architecture, Community, and Place.		11
		Construction IV (ARC 435L)		80
2014	Fall	Technical Communications Comprehensive Design Studio (ARC 560T/695) Studio Title: <i>Sustained Cycles: Construction + Cooking</i> Seminar Course: Light and Sustainable Design Seminar (ARC 350R/386M)		19 15
2014	Spring	Undergraduate Studies Signature Course (UGS 303) <i>Skyscrapers and Polar Bears: Perspectives on Sustainable Design</i> Co-taught with Dr. Barbara Brown Wilson		97

		Construction IV (ARC 435L)	44
2013	Fall	Vertical Design Studio / Visual Communications (ARC 394/1305) Studio Title: <i>Curating Campus, Cultivating City</i>	10
		Seminar Course: <i>Light and Sustainable Design Seminar</i> (ARC 350R/386M)	14
2013	Spring	Technical Communications Design Studio (ARC 560T/695) Studio Title: <i>Civitas, Steel & the City. Program: Travis County Civil and Family Courthouse.</i>	14
		Construction IV (ARC 435L/385N)	81
2012	Fall	Vertical Design Studio / Visual Communications (ARC 394/1305) Studio Title: <i>Streamline Living: Energy, Ergonomics, Education</i>	10
		Seminar Course: <i>Light and Sustainable Design Seminar</i> (ARC 350R/386M)	18
2012	Spring	Technical Communications Comprehensive Design Studio (ARC 560T/695) Studio Title: <i>Cuisine. Context. Construction. Program: College of Culinary Arts.</i>	12
		Construction IV (ARC 435L)	45
2011	Fall	Vertical Design Studio / Visual Communications (ARC 394/1305) Studio Title: <i>In:Transition: Adaptation in Time + Space</i>	13
		Seminar Course: <i>Light and Sustainable Design Seminar</i> (ARC 350R/386M)	17
2011	Summ	Undergraduate Studies Signature Course (UGS 303) <i>Skyscrapers and Polar Bears: Perspectives on Sustainable Design</i> Co-taught with Dr. Barbara Brown Wilson	44
2011	Spring	Technical Communications Comprehensive Design Studio (ARC 560T/695) Studio Title: <i>Cars, Commerce, and the Contemporary City</i> Co-taught with Francisco Gomes	30
		Construction IV (ARC 435L)	46
2010	Fall	Seminar Course: <i>Light and Sustainable Design Seminar</i> (ARC 350R/386M)	24
2010	Spring	Construction IV (ARC 435L)	45

The University of Lund Technical School of Architecture; Lund, Sweden

2009	Fall	Bombsites Workshop Design Studio , for advanced undergraduate students. <i>Super Structures</i> , Original course agenda and assignments created to expand the curriculum.
2008	Fall	Bombsites Workshop Design Studio , for advanced undergraduate students. <i>Tactical [Para]Cartography</i> , Course agenda and assignments created to expand the curriculum.

Total Average:	4.5 / 4.3

8.2 Thesis Advising & Master of Design Studies Advising

Graduate Thesis Student Advisees:

The University of Texas at Austin School of Architecture

2011-2012	Greg Arcangeli; Program: Master of Science in Engineering Advised with Dr. Atila Novoselac, UT Cockrell School of Engineering Thesis Title: <i>Influence of Slat-type Blinds on Energy Consumption in Office Buildings</i>
2010-2011	Deepthi Murali; Program: Historical Preservation in Architecture (Advised with Dr. Michael Holleran, Carl Matthews) Thesis Title: <i>Sustainable Adaptive Reuse of Austin's Seaholm Power Plant</i>
	Cayce Bean (Advised with Steve Ross) Program: Post-Professional (MArch II) in Architecture

Thesis Title: *Technology and Cleanliness in Architecture*
Awarded Top UT School of Architecture 2011 Post-Professional Thesis Award

The University of Lund Technical School of Architecture: Lund, Sweden

2008-2010 Christina Eriksson
Thesis Title: *Second Nature: Shanghai Expo 2010–Pavilion Metamorphosis*
(2009 National Thesis Prize Winner, Swedish Association of Architects)

Nikolas Kavvadias
Thesis Title: *Desire Space: Intuitive Diversions from the “Plan”*

Sara Yllner
Thesis Title: *Reattached References – Dealing with a Detached Icon*

Nils-Philip Pahlsson
Thesis Title: *The Meadows: A Road to Relearning Las Vegas*

Master of Design Studies Student Advisees:

The University of Texas at Austin School of Architecture

2014-2015 Namhyuck Ahn
Advised with Dr. Michael Holleran and Dr. Atila Novoselac, UT Cockrell School of Engineering
Thesis Title: *Energy Retrofit of History Masonry Structures*

2012-2013 Giuseppe Giordano
Advised with Adam Pyrek
Master of Design Studies Final Project Title: *Energy Monitoring and Occupant Response Interfaces*

Siqi Liu
Advised with Dean Almy
Master of Design Studies Final Project Title: *Land[Fill] The Gap*

Minkyung Kim
Advised with Larry Doll
Master of Design Studies Final Project Title: *Innovative Sustainable Tower Density*

Tong Li
Advised with Dason Whitsett
Master of Design Studies Final Project Title: *Rethinking Sustainable Office Design*

Nan Jiang
Advised with Dason Whitsett
Master of Design Studies Final Project Title: *Campus Interactive Interchangeable Living Laboratory Design for UT Austin*

2011-2012 Dan Zou
Advised with Larry Doll
Master of Design Studies Final Project Title: *Breathing Home: Hong Kong’s Public Housing of Tomorrow.*

Cristian Morales
Advised with Michael Garrison
Master of Design Studies Final Project Title: *Parametric Energy Modeling for Climate Dependant Guidelines*

Supasai Vongkulbhisal
Advised with Larry Doll
Master of Design Studies Final Project Title: *Shifting Tide, Altering Way of Life?*

Yanjing Chen
Advised with Michael Garrison
Master of Design Studies Final Project Title: *Small Scale, Big Changes*

8.3 Additional Teaching: Cross-Disciplinary Teaching/Advising

Master of Design Studies Student Supervisor: The University of Texas at Austin

2018 Weibo Zhou; Program: Master of Design Studies
Design a flexible framework that will encourage residents to create the greenspace with their own will in massing housing

Plan II Honors Student Advisees: The University of Texas at Austin

2014 Jennifer Stein; Program: Bachelor of Architecture
Title: *The Problem of Sustainable Building Codes In The United States*

Bridging Disciplines Program Advisees: The University of Texas at Austin

Interdisciplinary certificate through a course of study that integrates classroom, research, and internship experiences.

2014 Mentored Taylor Stumberg, UT School of Architecture and College of Liberal Arts student, in sustainable research and Critical Analysis Essay about the Eco-Audit Curriculum, Summer 2014

2011 Stephen Mathai, UT Cockrell School of Engineering student, Environmental Studies Research

Other Advising

2016 NCARB AXP Supervisor / Advisor
Zahid Alibhai, Cornell University student, 2016

2016 NCARB IDP Supervisor / Advisor
Garrett Gallen, Texas A&M University student, Summer 2016

2016 Bridging Disciplines Program – Mentored UT School of Engineering student Stephen Mathai in sustainable research, Fall 2011;
Taylor Stumberg, Summer 2014;
Adriana Vann, Bridging Experience Mentor, ReUse People project, Fall 2016;
Melissa Flores, Environment and Sustainability, University Extension (UEX) Credit, Summer 2016, analyze data, create visualizations, write narrative about collected data.

2014 Advisor for Green Fee-funded Campus Sustainability Tours, led by student Kristen Cetin.

- | | |
|-----------|---|
| 2011-2013 | Eco-operative Integrated Design Consortium, Advisor for sustainable research initiative led by UT Cockrell School of Engineering students and including students of all disciplines, 2011 – Present |
| 2011-2013 | Gerald D. Hines Urban Land Institute Competition, Student Competition Team Faculty Advisor |

8.4 Student Awards, Publications, and Recognition

- | | |
|------|--|
| 2016 | “Catalyze + Connect” by students Kendall Claus and Amy Payton for the Advanced Architectural Design: Comp Studio Fall 2015 course, in <i>Texas Citylab, 2015-2016 Final Report</i> , City of Leander, pp. 30-35 |
| 2015 | “Process and Craft: College of Gastronomy and Culinary Arts” by Students Molly McNamara and April Ng, In <i>ISSUE 011</i> , edited by Elizabeth Farrell and Molly McNamara, pp. 36-39. Austin: The University of Texas at Austin School of Architecture, 2015. |
| 2014 | University of Texas School of Architecture Design Excellence Award, awarded to students Molly McNamara and April Ng in the Comprehensive Studio taught by Matt Fajkus, December 15th, 2014. |
| 2014 | “On the Record: Courthouse + Civic Archive in the City of Austin” by Students Emily Ewbank and Monica Sanga, In <i>ISSUE 010</i> , edited by A. Felipe Calderon, Grace Dixon, and Lauren Jones, pp. 60-61. Austin: The University of Texas at Austin School of Architecture, 2014. |
| 2013 | Cogburn Family Foundation First Place Winner, Project Title: Downtown East: Wildly Sophisticated. Student Team: Thomas Johnston, Meredith Entrop, Holly Bonine, Michelle Bright, Mason Gilmore, of 10 UT School of Architecture Entries, March 2013. |
| 2013 | National Honorable Mention, National Gerald D. Hines Urban Land Institute Competition, Project Title: “Downtown East: Wildly Sophisticated,” Student Team: Thomas Johnston, Meredith Entrop, Holly Bonine, Michelle Bright, Mason Gilmore, of 149 entries. |
| 2013 | “Austin Reuse Center” by Students Anna Katsios and Alison Steele, In <i>ISSUE 009</i> , edited by Emily Ewbank, Benjamin Morris, Monica Sanga, and Sunny Schneberger, pp. 88-91. Austin: The University of Texas at Austin School of Architecture, 2013. |
| 2013 | “Taking Root” by Students Rachel Bullock and Kaziah Haviland, In <i>ISSUE 009</i> , edited by Emily Ewbank, Benjamin Morris, Monica Sanga, and Sunny Schneberger, pp. 62-67. Austin: The University of Texas at Austin School of Architecture, 2013. |
| 2012 | Top 50 Designs, “Draw Up A Chair” Competition for Battery Park, New York City, Awarded to students Alison Steele, Anna Katsios, and Lauren Jones; UT Vertical Studio. |
